Dear Dr VVP rao,

Thank you for the kind invitation. I am indeed happy that Professor Minakshisyndaram's memory is being honoured in this fashion. However I regret that i will not be able to participate in the event because of prior commitments. I wish the event all success.

Best regards, Raghunathan

Dear Dr. Rao,

Thank you for the invitation. I had the privilege of knowing Prof. Minakshisundaram in person. He had visited TIFR, if I remember well, in 1956 in connection with the conference on "Zeta Functions". I again met him at the Edinburgh International Congress in 1958. His work was already well appreciated and I liked him also as a person.

I am sorry, I will not be able to participate in the function. I wish the function great success.

With best regards,

C.S. Seshadri
